

An encouraging word from our Pastor...

What is Worship?

Psalm 95

THEME: God invites us to worship Him alone above all else. God created us to worship, but we are corrupted when we substitute another person, place, or thing in the place of God. You can tell what you worship by what you give your time, money, energy to. Christ-followers worship God out of gratitude for who He is and what He does.

I What is Worship? (v. 1-2)

1. Worship is not being a spectator but an enthusiastic participator
2. Worship is not a feeling
3. Worship is us loving and adoring Jesus in response to all God is and does

II To Authentically worship God you must...

1. Experience God as all knowing (v.3-5)
2. Experience God as all powerful (v.6)
3. Experience God as all loving (v.7-8)

“He made Him who knew no sin to be sin on our behalf, so that we might become the righteousness of God in Him.” 2 Corinthians 5:21

How will I Worship God Authentically

1. You can only worship God when you trust Him as your all sufficient, all knowing Savior who deeply loves you. You repent of the sin that will destroy you and you ask Jesus to be the Leader of the life He gave you. Have you done this?
2. Worship is meeting God in personal devotions and in public worship with other Christ-followers. Protect this time and let nothing interfere with it.
3. Ask God to help you share Him with others that they too may know Him in a life changing way.

Hear the Word...write it down...LIVE it out...watch GOD work!
